FF O500

Intelligent Addressable Photo Smoke Detector

LPCB 1450c/01 $C\epsilon$ 20   0832-CPR-F2817   **EN54-7**

Features

➤ Intelligent Addressable Optical Smoke Detector
➤ Microprocessor
➤ Infrared working principle
➤ Non-polarized two-wire connection
➤ Sensör Sensor fault monitoring against temperature, humidity and dust
➤ Pollution-Failure Report
➤ EN54-7 Certified
➤ LPCB Approved
➤ CPR Certified

Technicial Specifications

Operating voltage	24V DC
Operating Current	≤0.3mA
Operating Alarm Current	≤0.8mA
LED display	Kırmızı
LED Polling	Flash
Operating temperature	-5°C～+50°C
Storage Temperature	-5°C～+50°C
Moisture Bond	≤95%
Size	100x51 mm
LPCB document no.	1450c/01
CPR document no.	0832-CPR-F2817

Order Details

➤ FF O500   Intelligent Addressable Optical Smoke Detector
➤ FF BS500   Standard Base for FF O500
